4 Section 5. The Vital Records Act is amended by changing
5 Section 25.1 as follows:

6 (410 ILCS 535/25.1) (from Ch. 111 1/2, par. 73-25.1)

7 Sec. 25.1. (a) When the State Registrar of Vital Records
8 receives or prepares a death certificate the Registrar shall
9 make an appropriate notation in the birth certificate record of
10 that person that the person is deceased. The Registrar shall
11 also notify the appropriate municipal or county custodian of
12 such birth record that the person is deceased, and such
13 custodian shall likewise make an appropriate notation in its
14 records.

15 (b) In response to any inquiry, the Registrar or a
16 custodian shall not provide a copy of a birth certificate or
17 information concerning the birth record of any deceased person
18 except as provided in this subsection (b) or as otherwise
19 provided in this Act or as approved by the Department. When a
20 copy of the birth certificate of a deceased person is
21 requested, the Registrar or custodian shall require the person
22 making the request to complete an information form, which shall
23 be developed and furnished by the Department and shall include,
24 at a minimum, the name, address, telephone number, social
25 security number and driver's license number of the person
26 making the request. Before furnishing the copy, the custodian
27 shall prominently stamp on the copy the word "DECEASED" and
28 write or stamp on the copy the date of death of the deceased
29 person. The custodian shall retain the information form
30 completed by the person making the request, and note on the
31 birth certificate record that such a request was made. The
32 custodian shall make the information form available to the

1 Department of State Police or any local law enforcement agency
2 upon request. A city or county custodian shall promptly submit
3 copies of all completed forms to the Registrar. The word
4 "DECEASED" and the date of death shall not appear on a copy of
5 a birth certificate furnished to a parent of a child who died
6 within 3 months of birth, provided no other copy of a birth
7 certificate was furnished to the parent prior to the child's
8 death.

9 (c) The Registrar shall furnish, no later than 60 days
10 after receipt of a form used to request a birth certificate
11 record of a deceased person, a copy of the form and a copy of
12 the corresponding birth certificate record to the Illinois
13 Department of Public Aid and the Department of Human Services.
14 The Illinois Department of Public Aid and the Department of
15 Human Services shall, upon receipt of such information, check
16 their records to ensure that no claim for public assistance
17 under the Illinois Public Aid Code is being made either by a
18 person purporting to be the deceased person or by any person on
19 behalf of the deceased person.
